

Theo Williams

Director of Logistics - Industries for the Blind, Inc

Theo currently serves as the Director of Logistics and the Industries for the Blind, Inc. He joined the FHW Board of Directors as a Director in January 2024.

Upon completion of his military service in 1999 with the United States Army, Theo began working at the Industries for the Blind, Inc. and assists with its mission to employ blind and visually impaired Americans. He steadily worked his way up in the ranks from a warehouse associate to its current Director of Logistics.

He is a member of the Combat Veterans Motorcycle Association® (CVMA)- where he serves as its State Public Relations Officer. The organization's mission is to show support for all veterans, their organizations, and service members in the US armed forces. Theo helps to coordinate and attends many of the CVMA events throughout the state.
